HISTORY

Established as a Proprietary Concern in the year 1990, Moonlight Electrical Contractors & Engineers was then incorporated as a Private Limited in the year 2003. Initially, Electrical Contracting was our core business. After our thorough knowledge & Expertise in Electrical fields, recently, we have undergone significant expansion and entered into manufacturing of Control Panels, Fabrication, Trading of Electrical Goods, Annual Maintenance Contracts & Repairs.

MANAGEMENT

Mr. Patrick D'Souza, Managing Director of Moonlight Electrical Contractors & Engineers Pvt. Ltd is a pioneer of the Company. He completed his diploma in Electricals in 1982. He started his career working as an Electrician & Supervisor. After practical experience of 8 years in Electricals he started his own business in the year 1990 as a proprietor of Moonlight. He has been climbing the ladder of success due to his hard work, sincerity, knowledge & ambition to grow. He has witnessed his success by converting proprietary concern into a Private Ltd. Company & opening branches in Pune & Mangalore. He has acquired a lot of respect from his clients, suppliers, Sub-Contractors, Professional Associates, employees & many members from the electrical field due to his Helping Nature, Positive Attitude & Broadminded nature in accepting new ideas. Under his dynamic leadership, we have been progressing within a short period of decades.

STORES

In today’s world what the customers require is after sales service that is the reason why Moonlight is well known than other Electrical contractors. But Why is it so, is it that we will receive a complaint and we would go to the market and buy the required item for the complaint by the time it will be evening and the whole day is wasted, whenever Moonlight is achieving better service, as Our Stores is equipped with all kinds of electrical accessories required in day-to-day failure, and is attached to office for quick delivery of materials. Our Material Manager is for any small new - comings, up-gradation of the market. Quality Control through material is our goal associated with great workmanship.

MANUFACTURING UNIT

How Moonlight has been providing better service than other?

By having our own Work shop at Mangalore 4000 sq. ft. of Ground floor of building has been used for shop floor + 4000 sq. ft. of 1st floor has been used for official use & Warehouse. Our Manufacturing unit is well equipped with latest Machineries, equipment’s, tools, testing equipment etc, to maintain high level of quality and accuracy of jobs. We have AutoCAD Professionals for developing drawings of panels to guide production for accurate work. Our Production Manager has experience of 15 years in Panels Building & fabrication. We have skilled Fabricator, Fitter, Welder, Technicians & Wiremen to assist him.
OUR CLIENTS

Customer satisfaction is what we aspire for. Our biggest driving force. We try to provide our customers the highest level of quality services at fair & market competitive prices while establishing a successful relationship with them. We are dedicated to providing quality in Electrical Contracting Services, technical and management services to our customers. We have a long list of satisfied clients. By and large, we have received repeat & referral orders and done continual assignments for our main clients.
